

LWF'S ACTION COMMITMENTS to end gender-based violence

THE
LUTHERAN
WORLD
FEDERATION

**As a global
communion we
pledge to...**

1.

Support our member churches to raise their prophetic voice, adopt and implement policies and actions to prevent and respond to gender-based violence.

2.

Ensure that humanitarian and emergency preparedness and response in country programs include a focus on the prevention of gender-based violence.

3.

Continue to raise awareness of the LWF gender justice policy at Communion Office and country program level and monitor compliance.

4.

Step up advocacy towards ending gender-based violence at the local, regional and global level.

5.

Increase our resource mobilization efforts towards gender-based violence prevention and response programs, including support to survivors.

6.

Engage with men and boys and community leaders, including faith leaders, to raise awareness, prevent and respond to gender-based violence.

**Together we can
and will make
a difference**
